June 21
Noon

Location:
Park West
8047 Grow Lane

Lunch Sponsor:
Park West

RSVP by Noon
7/17

Contact Shalu at
713-895-8021

Our apartment Managers' Meeting this month focused on building a partnership between District apartment managers and Aldine schools. Aldine ISD sent Ben Wilson, Communications Officer, and Administrators from 8 Aldine schools. These administrator's are all amazing education professionals. We appreciate that they took time to come to our May meeting and look forward to seeing them again during the summer months before school starts.

Meeting attendance

Because meeting attendance by apartment managers was so low this month, we are going to a very strict policy of canceling the meeting if we do not have enough participation. Sponsors pay for our lunch, business vendors make time to attend and now our schools are making the effort to attend because they value partnering with apartment managers. Please RSVP to our office by Noon on the Friday before our meeting. If by close of business on Friday we do not have a response from our managers then we will cancel the meeting on Monday morning.

Thanks...

...to Apartment Finder for sponsoring the yummy lunch from Olive Garden. Contact Melissa Friend, 713-460-0300, to advertise your property.

Amazing Aldine

Administrators from Vines, Stovall, Ermel, Hoffman, Smith, Harris and Eisenhower attended the manager's meeting and each gave a brief overview of some of the exciting things happening on their campuses as well as some of the challenges they are attempting to address. New for next year, both Ermel and Smith Academies will be open enrollment campuses. This means any child can apply to go to these schools. Open enrollment flyers are available on the [District Web Site's School Page](#). Also, Aldine is proud to be one of only a few District's in the nation to offer the International Baccalaureate program from Pre-K through High School. Several schools want to start after school tutoring programs in the community and are looking for locations. We see this as an exciting possibility for our area apartments for the future.

Security Meeting

Our next Security Meeting will be held on June 14 at 9 am at the District office at 5300 Hollister. Please ask your Security personnel to attend this meeting or send someone from your property. These meetings are attended by area law enforcement and security personnel who work together to keep our community safe. Our June speaker will be HPD Officer Oscar Gamez of the metal theft division to discuss the increase in metal theft and how to deter metal thieves.

Next Meeting

June 21, Park West, 8047 Grow Lane, call 713-462-5041 for directions. RSVP to Shalu at 713-895-8021 by Noon, Friday, July 17.
