2011

Next Meeting:
August 9
Noon

Location:
Linda Vista

Lunch Sponsor:
NNWMD

RSVP by Noon
8/12

Contact Shalu at
713-895-8021

Discussion at the July Apartment Managers' Meeting was focused on what's going on in the community and services that managers can offer to their tenants.

Trespass Affidavits

You can help our Public Safety officers protect your property by completing a Trespass Affidavit. The affidavit allows HPD to arrest anyone they find trespassing on your property, without having to contact a representative of the property owner. The affidavit also makes it an offense to remain on the property after being asked by management to leave. If you do not have a current affidavit on file with HPD, please contact Ruby Glass and she will get you one.

Thanks...

...to Linda Vista for hosting last month's meeting. We are always looking for someone to provide a location for our meeting or to sponsor the lunch. If you are interested in volunteering for either please contact Ruby Glass at 713-895-8021.

Amazing Aldine

A brochure highlighting Aldine's accomplishments and commitment to educating the children in our community is now available on the [District Web Site's School Page](#) for use in promoting the area schools to your prospective tenants. Aldine is proud to be one of only a few Districts in the nation to offer the International Baccalaureate program from Pre-K through High School. Several schools want to start after school tutoring programs in the community and are looking for locations. We see this as an exciting possibility for our area apartments for the future.

YMCA

Matt Hurtado, Youth Development Director for the Foster YMCA shared with attendees the services that the Y is providing at Linda Vista. The Y can provide on-site after school programming for all apartments in our area. Contact Matt at 713-869-3378 for more information.

Next Meeting

August 16, Noon, Park at Live Oak 5550 Holly View Dr. Our **guest speaker** will be HPD Officer Ryan Watson who will be talking about what properties can do to increase safety and the **Blue Star Certification** Program.
